

Towamensing Trails Property Owners Association

Yard Debris Burn Permit

The Property Owner listed on this Permit Must be present at the site of the fire.

- This Permit is not transferable. This permit may be revoked for any violation of the TTPOA Rules of Conduct, State and Local Burning Violations.
- This Permit is not for the use of recreational fires, a separate permit must be applied for to have a recreational fire.
- Before you start the fire you must check wind direction and do not proceed to burn if wind speeds are over 10mph.
- It is illegal to burn asphalt, garbage, metal, petroleum products, plastics, rubber and painted or treated wood. These materials release toxic pollutants into the air and are recognized as a significant health risk and public nuisance. Burning recyclable paper or cardboard is also prohibited.
- Burn Barrel must be placed 30 feet from any structure.
